

The Hunter Organic Growers Society's Annual General Meeting will be held at the Wetlands Centre, Shortland on Saturday August 14th from 1pm. This year is our 30th birthday so we will be making it a bit special! Our speaker is Andrew Dempster from Slow Food Hunter Valley and he will talk about a topic close to all our hearts...

The Management Committee has resolved that, in order to streamline the process of the elections, nominations will be called beforehand. If there are no nominations for a particular position on the day of the election, nominations for that position will be accepted from the floor.

HOGS relies entirely on the efforts of members for its guidance; the committee meets two hours before each field day to decide a range of matters affecting the organisation. So if you are interested in how your club is running and the direction it follows, please get involved.

Fill in the form below and make sure it goes back to the returning officer before August 11th: Ern Hardes, 10/4 Cowmeadow Road, Mt Hutton NSW 2290.

HOGS is a dynamic, growing organisation which relies on its members participation for its direction. As an office holder or committee member you will be able to contribute more and be rewarded by seeing the organisation become more substantial. Committee meetings start two hours before each field day which is not a large commitment given the potential return.
